 Function: *noun*
1 : a swallow-tailed flag used especially by ships for signals or identification

BACK BY POPULAR DEMAND! WITH SO MANY NEW RESIDENTS AND LAST YEAR'S HURRICANES TAKING THEIR TOLL, WE HAVE BEEN REQUESTED TO REINSTITUTE THE BURGEE ORDER.

AHOY THERE, SYMPHONITES

How often have you cruised around on the water, passed another boat and wondered "Gee...could those people live in Symphony?" Have you ever been out to the Island and thought..."I wonder how many of these people are my neighbors?" Better yet, have you ever thought "I'm proud to live in Symphony Isles, and when I'm out boating I'd love to meet new neighbors, but I don't know who they are?"

Well, here's your chance to show your Symphony Spirit and, hopefully, meet your neighbors along the (water) way.

You can now own your very own Symphony Isles Burgee (i.e.: boat flag)! The above design is a black background with the emblem appliquéed in white on high quality nylon. The size is 11x17" and the cost is \$25.00 per burgee

To place your order, complete the following form and enclose a check to "Symphony Isles Master Association" and **drop it off at the guard gate marked: "Attn: Judy Motta Communication and Enhancement Committee or call Judy directly at 649-1229.**
